

I Sing Out

Some days, it seems like love's in short supply.
Instead of understanding, what I hear is "an eye for an eye".
There's gotta be a better way, I'm primed to do my part.
So starting today, from deep within my heart,
I sing out peace, I sing out hope,
I sing out boldly so that ev'ryone will know, life gets better the future's brighter.
Burdens feel much lighter when I sing out, when I sing out.
I sing out joy,
I sing out love.
Here's my chance to show the world, what I'm made of.
With my voice I can inspire, I empower, I enlighten,
With my voice I can heal my world from the very best part of what I am.

I sing out, I sing out, I sing out, I sing out, loud and strong X6
I sing out, I sing out, I sing out, I sing out strong

We are the voice the world is waiting for,
And so we sing like we never sung before.
We sing out peace,
We sing out love.
We sing out boldly so that ev'ryone will know life gets better the future's brighter.
Burdens feel much lighter when we sing out, when we sing out.
We sing out joy,
We sing out love.
Here's our chance to show the world, what we're made of.
With our voice we can inspire, we empower, we enlighten,
With our voice we can heal the world from the very best part of what we are.

We sing out, we sing out. We sing out.
From our hearts we sing out.
