

# Friday Quiz

Friday 5<sup>th</sup> October 2018

St. Pius X Quizzlers

3<sup>rd</sup> and 4<sup>th</sup> Classes

# Friday Quiz

## Rules

There are 13 questions altogether. The first question is a warm up and worth one point.

The other 12 questions are each worth 2 points

**That's a max of 25 points!**

Your **best 4 scores** will count.

So, if you miss a quiz because you're at the dentist, you can still win.

**Maximum Score is 100 points.**

If you get an answer almost right or half right, teacher will award one point instead of two points.

For example, suppose the question is:

“Name two of the major planets”  
and you wrote “Mars and Pluto.”

Mars is right but Pluto is not.

You would earn 1 point

Don't worry too much about **spelling**.  
If your answer is right, you'll get the  
points so long as your spelling is close  
enough.

(Unless of course it's a spelling  
question)

We hope that you enjoy the quiz  
and that you learn a few things from it.  
To do well, it can be helpful to listen to  
the news and sports news.

Don't worry if you miss a question.  
When the quiz is finished, all of the  
questions will be shown on the last  
page to allow you to do a quick check.

Good Luck . . . Here goes . . .  
No whispering

Today's Quiz is a Practice Run.

Your score will **not** count.

The first real quiz is next Friday.

## Question 1

How many legs has an insect?
