# Friday Quiz

## Rules

There are 13 questions altogether. The first question is a warm up and worth one point.

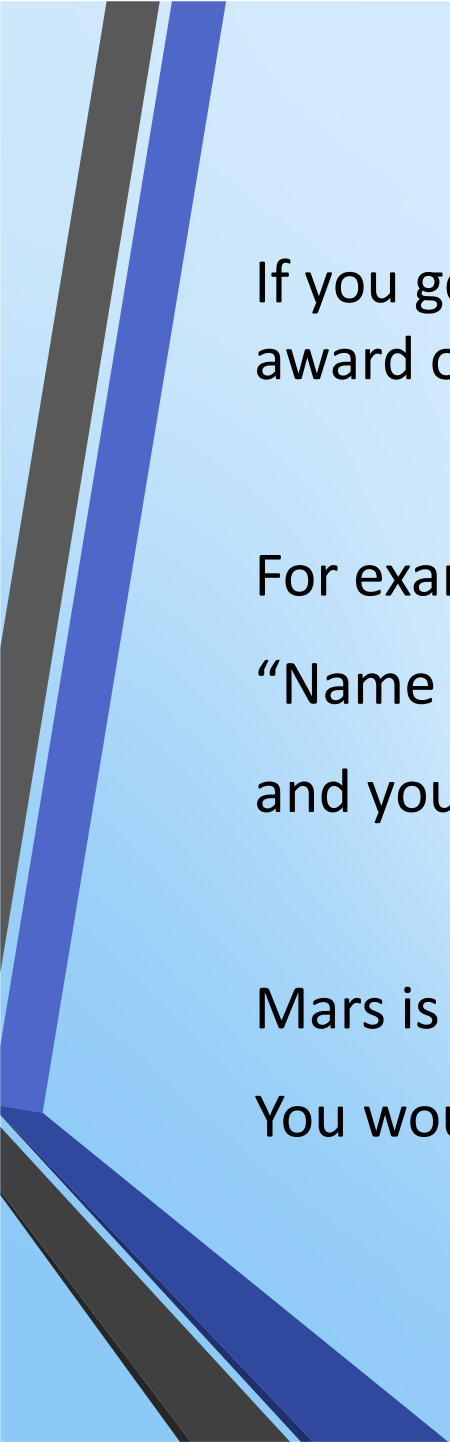

The other 12 questions are each worth 2 points

**That's a max of 25 points!**

Your **best 4 scores** will count.

So, if you miss a quiz because you're at the dentist, you can still win.

**Maximum Score is 100 points.**

If you get an answer almost right or half right, teacher will award one point instead of two points.

For example, suppose the question is:

“Name two of the major planets”  
and you wrote “Mars and Pluto.”

Mars is right but Pluto is not.

You would earn 1 point

Don't worry too much about **spelling**.  
If your answer is right, you'll get the  
points so long as your spelling is close  
enough.

(Unless of course it's a spelling  
question)

We hope that you enjoy the quiz and that you learn a few things from it. To do well, it can be helpful to listen to the news and sports news.

Don't worry if you miss a question. When the quiz is finished, all of the questions will be shown on the last page to allow you to do a quick check.

Good Luck . . . Here goes . . .  
No whispering

Today's Quiz is a Practice Run.

Your score will **not** count.

The first real quiz is next Friday.
