The Whizz Quiz

Hi boys,

Welcome to your first Whizz Quiz of the school year where your teacher will be keeping score! For 5 weeks this term, we will play our school quiz on a Friday. Try your best to answer the questions correctly but, most importantly, have fun! So... prepare for more fun questions, tricky teasers and puzzling pics!

Here we go!

Mr. Réamonn

The Whizz Quiz

Rules

There are 13 questions altogether. The first question is a warm-up and worth one point.

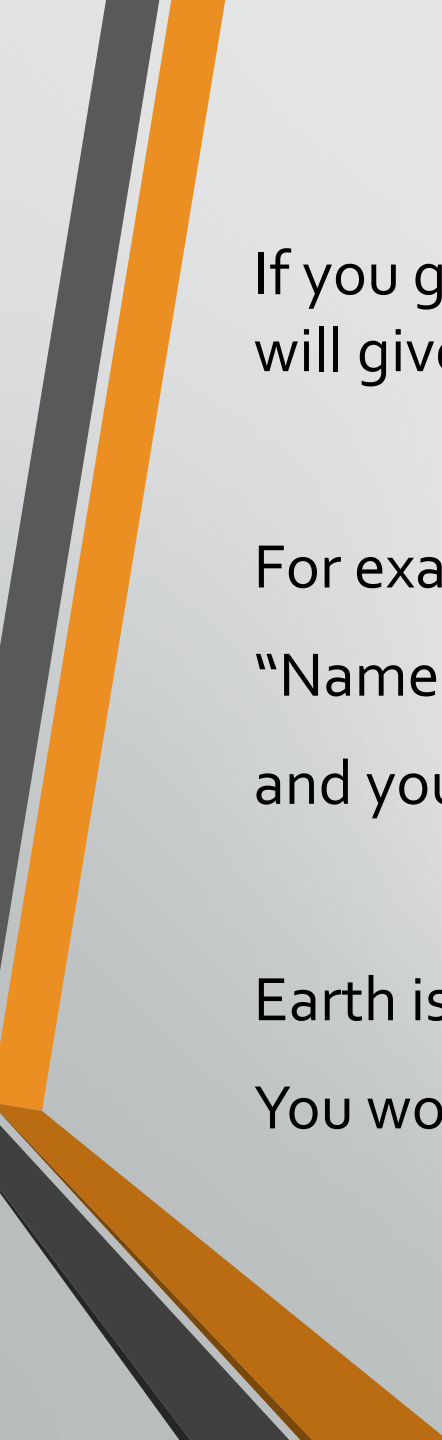

The other 12 questions are each worth 2 points

That's a max of 25 points!

Your **best 4 scores** will count.

So, if you miss a quiz because you're at the dentist, you can still win.

Maximum Score is 100 points.

If you get an answer almost right or half right, your teacher will give you one point instead of two points.

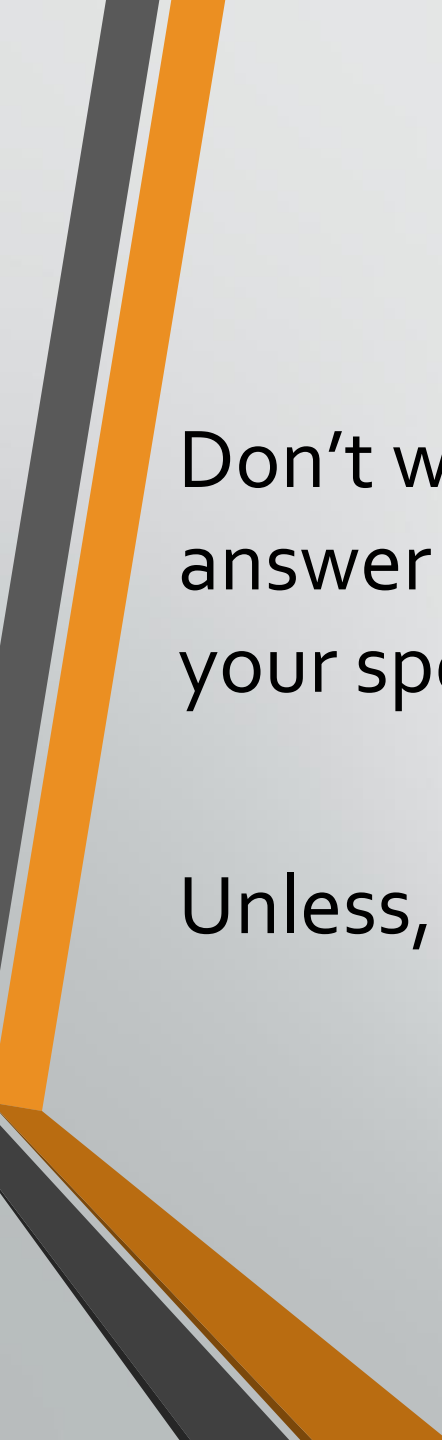

For example, suppose the question is:

“Name two planets in our solar system”

and you write “Earth and Krypton.”

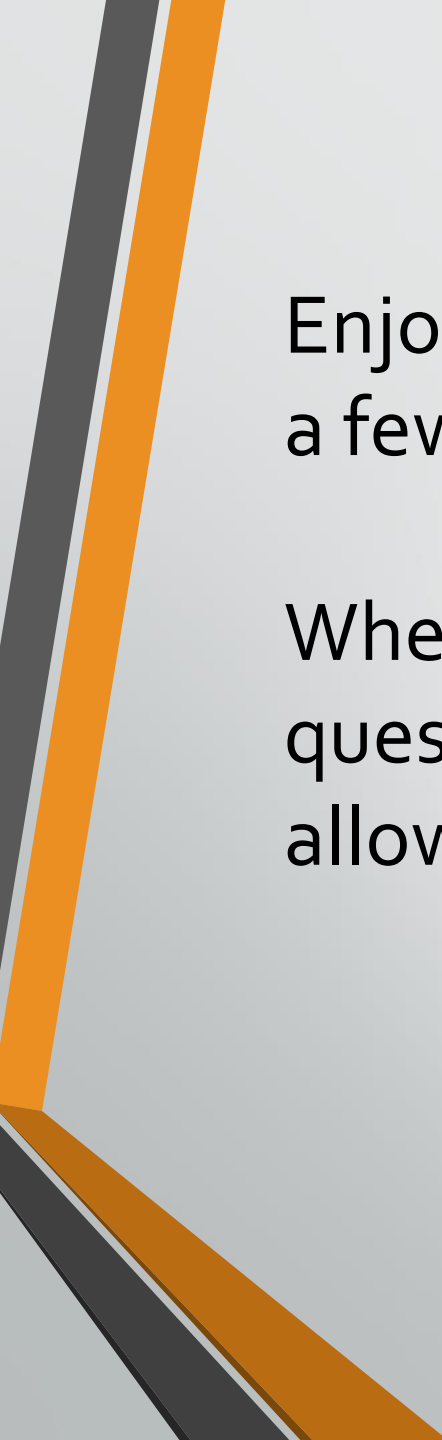

Earth is right, but Krypton is not.

You would earn 1 point!

Don't worry too much about **spelling**. If your answer is right, you'll get the points so long as your spelling is close enough.

Unless, of course, it's a spelling question!

Enjoy the quiz and hopefully you will learn a few things from it too.

When the quiz is finished, all of the questions will be shown on the last page to allow you to do a quick check.

Good Luck . . . Here goes !
