# The Whizz Quiz – Week 5

Hi boys,

So here we are, the **final Whizz Quiz** of Term 3! To celebrate, I've got a bumper quiz for you of 15 questions! Don't forget, as you guys are at home, your teachers will not be keeping score! Just have fun and try to do your best!

So, here you go with more fun questions, tricky teasers and, for this quiz only, **THREE** new 'Baby Teachers' picture questions!

Enjoy!

Mr. Réamonn

# The Whizz Quiz

## Rules

There are 15 questions altogether. The first question is a warm-up and worth one point.

The other 14 questions are each worth 2 points

That's a max of 29 points!

Your **best 4 scores** will count so, after today's quiz, add together your best 4 scores from the past 5 weeks to give yourself a score out of 100!

If you get an answer almost right or half right, give yourself one point instead of two points.

For example, suppose the question is:

“Name two colours of the rainbow”

and you write “Red and brown.”

Red is right, but brown is not.

You would earn 1 point!

Don't worry too much about **spelling**. If your answer is right, you'll get the points so long as your spelling is close enough.

Unless, of course, it's a spelling question!

Enjoy the quiz and hopefully you will learn a few things from it too.

When the quiz is finished, all of the questions will be shown on the last page to allow you to do a quick check.

Good Luck . . . Here goes !
