St. Pius X Friday Quiz

3rd and 4th Classes

The Whizz Quiz

Hi boys,

Welcome back to the Whizz Quiz for our final term of school! For the next 5 weeks, we will continue to play our school quiz on a Friday, but as you guys are at home, your teachers will not be keeping score this time! Just have fun and try to beat your own score every week!

So, here you go with more fun questions, tricky teasers and, for this term only, our 'Baby Teachers' picture questions!

Enjoy!

Mr. Réamonn

The Whizz Quiz

Rules

There are 13 questions altogether. The first question is a warm-up and worth one point.

The other 12 questions are each worth 2 points

That's a max of 25 points!

Your **best 4 scores** will count so keep note of your score every week and add together your best 4 scores to give you a score out of 100!

If you get an answer almost right or half right, give yourself one point instead of two points.

For example, suppose the question is:

“Name two colours of the rainbow”

and you write “Red and brown.”

Red is right, but brown is not.

You would earn 1 point!

Don't worry too much about **spelling**. If your answer is right, you'll get the points so long as your spelling is close enough.

Unless, of course, it's a spelling question!

Enjoy the quiz and hopefully you will learn a few things from it too.

When the quiz is finished, all of the questions will be shown on the last page to allow you to do a quick check.

Good Luck . . . Here goes !
