Friday Quiz

Rules

There are 13 questions altogether. The first question is a warm up and worth one point.

The other 12 questions are each worth 2 points

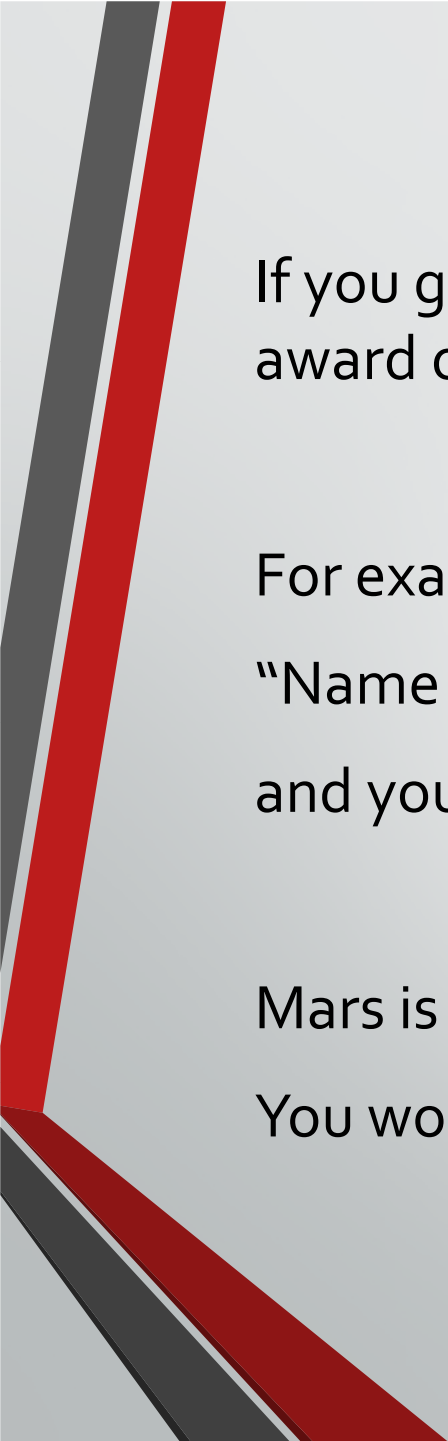

That's a max of 25 points!

Your **best 4 scores** will count.

So, if you miss a quiz because you're at the dentist, you can still win.

Maximum Score is 100 points.

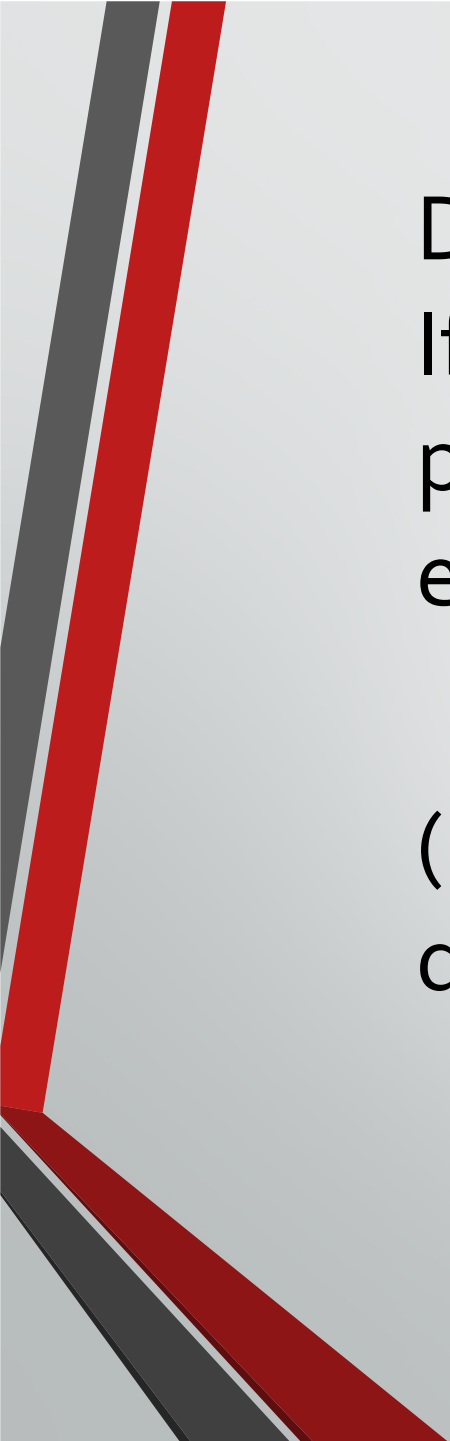

If you get an answer almost right or half right, teacher will award one point instead of two points.

For example, suppose the question is:

“Name two of the major planets”
and you wrote “Mars and Pluto.”

Mars is right but Pluto is not.

You would earn 1 point

Don't worry too much about **spelling**.
If your answer is right, you'll get the
points so long as your spelling is close
enough.

(Unless of course it's a spelling
question)

We hope that you enjoy the quiz and that you learn a few things from it. To do well, it can be helpful to listen to the news and sports news.
